Objective

To start my career as an HR Assistant where I can use my communication, coordination, and organizational skills to support daily HR operations. I am eager to learn HR processes, employee management, documentation, recruitment, and administrative work while growing professionally with the Organisation.

Profile Summary

- I am a BMS graduate with specialization in Human Resources from Mumbai University. I have internship experience as an HR Admin Assistant where I supported recruitment, employee coordination, attendance management, and HR documentation. Currently, I am working as a PPC Executive, where I handle coordination, reporting, and workflow management. I also have good knowledge of MS Excel, communication, and teamwork, with a strong willingness to learn and grow in the HR field.

Experience

- Production Planning Control Executive** 04/09/2025 - Present
KCP-Gauging Technology Pvt. Ltd.
 - Assist in daily production planning and scheduling to help achieve targets on time.
 - Coordinated with production, store, and dispatch teams for smooth workflow.
 - Maintained and updated production data and reports in MS Excel.
 - Monitored production progress and followed up to avoid delays.
 - Checked material availability and supported inventory management.
 - Helped in preparing daily and weekly production reports.
 - coordinate with the sales team to track order details and share dispatch updates.
 - Ensured proper documentation and data accuracy.

Additional Information
